

Membership

Interconnection meets twice a month for group networking meetings, meets once a month for a morning social, and meets once a month to volunteer and support our community.

Joining - if interested in joining interconnection we ask that you fill our information sheet for the group to decide if interconnection will be a good fit for you and your business. We will only accept one member per industry as we don't want members competing for referrals.

Member ship fee -\$150.00 a year nonrefundable .

Meetings last for 60 minutes from 8-9 A.M. at Forager Brewery.

All money is tracked and is available for interconnection members to see where and how money is being utilized. If any money is left over at end of the year, interconnection will vote on what to do with the remainder of its funds.

Attendance – we encourage you to be at every meeting or function. We ask for a minimum of 75% attendance per quarter. If you are unable to make it to a meeting or function we encourage you to find a substitute to fill your place. if you miss more than 75% of attendance two quarters in a row, interconnection will review your membership and decide if interconnection is a good fit for you.

Referrals – interconnection highly encourages passing referral's to its members and will be tracked per quarter. Filling out the referral cards will help interconnection keep track of all referral's being passed.

Volunteer – interconnection feels very strongly about helping others and volunteering around the community. Please act respectful when out in the community. Your membership will be revoked immediately if your actions show disrespect while volunteering and supporting our community.

Guests – we encourage guests to visit interconnection. Guests are able to visit two meetings before deciding to join.

Morning Social – you do not have to be a member to come to a morning social. The Idea is to connect with other local professionals around our community to help us get to know each other.

Everyone has a voice and interconnection encourages you to help find ways to always improve our group and how we can make a difference around our community. Please feel free to share your ideas as we are always open to hearing them. Interconnection wants to surround itself with positive hard working individuals. We are more than just a networking group, we are a family.
